The icon link so posted on the schools' website should be distinctly visible for easy accessibility. It is important that this information is easily accessible to the public and therefore the link on the website should be prominently displayed.

In this connection, it has been observed that inspite of clear directions from the Board, some of the schools are not following these provisions. It is therefore, reiterated that it is imperative on the part of the schools to comply not only with the provisions of State Education department but also with the provisions of the Affiliation and Examination Bye-Laws of the Board, to bring transparency and easy accessibility by stakeholders.

The Central Board of Secondary Education has also made it as a mandatory pre condition for granting or extending affiliation. The School leaders and Managers of the schools are directed to take note of the above condition and comply with the provisions mentioned in circular dated 05.03.2021. If it has not been complied with already, the same may be done within a period of one month failing which the Board will be constrained to take necessary action as per provisions mentioned in Chapter 12 of Affiliation Bye-Laws, 2018.
