### **Kindergarten:**

We continued with chrysalis curriculum as a teacher of young children, it is vital to understand how to communicate with them and give essential feed back in a positive and constructive way. The encouragement given to these young children build self confidence and help them grow in the knowledge as making of what is right and what is wrong. Giving importance to the basic phonetics knowledge two classes in a week have been allotted for the phonetics from this current year

To know our kids performance every term Parent teachers meeting was held to meet the Parents to know about their words.

### **Club Activities**

The various club activities promote learning by combining recreational & educational factors. Thereby the school becomes a platform where multifold learning experience can be garnered to support learning by all means other activities.

### **Extra -Curricular Activities:**

Our aim is to promote and provide a balanced learning program. Which includes academic and a wide range of co-curricular opportunity various activities like Kunfu, Yoga ,Band, Dance and Silambam rejuvenate the energy of the student & thereby provide opportunity to express their hidden talents.

### **Professional Development Program:**

Learning is a continuous process To ensure teachers career development, the school provides the best possible education to the students, teachers are constant in the updation and learning through workshop.

### **Details of the workshop:**

Teachers attended the various workshop organised by the board:

Life skills by CBSE, Meditation and Stress Management, English Language and Mathematics. Apart from our teachers are made a part of the training sessions and workshops happening at other schools. Various workshops on Adolescence Management workshops on various academic subjects were attended by,Mr. SriramGuru, Mrs. Subaranjana, Mrs. Jannat khatun, Mrs. Sudha Rani.

The Attended teachers further share the knowledge with other fellow teachers widening the sphere of wisdom. Keeping ourselves up with the pace of the modern world, communication have been shared through GCR.

I feel very proud to say there that we are one among the 12,000 schools in the Country who have been conducting the SAFAL ( Structured Assessment for Analyzing Learning) Mrs. Abitha have been trained through various Workshop's. This SAFAL helps the students to gain confidence and overcome the fear during exam.

### **Competition:**

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter school competition and Zonal level competition and brought laudable laurels to the school.

Around 1000 students took part in the various competitions organized by Kamarajar Academy. They have been awarded with Certificate and Medals. The Special Prize winners are

### Accomplish in Sports:

Basket Ball, Athletics and Volley Ball:

Perhaps more than any other sports are perceived as Games of natural physical fitness. These games demand quickness, lateral movement and explosive power. The training the students of in the after school activity helps them in many ways.

Our Students have brought the laurels to our Institution.

They are, Hari Saarada Varsan of X std has got Silver medal in State level Roll Ball, D.Rithick of IX std has got Gold medal in Football and K V Divya of VI std has got Gold medal in State level skating competition.

They have been honoured by our Chief Minister, Sports Minister and Educational Minister on August 4<sup>th</sup> at Nehru stadium.

**School Health Programme:**

The importance of health, personal hygiene nutrition physical fitness etc is reiterated through several classroom activities. As we have a tie up with our neighbourhood Health Centre, Periodical Health checkup is conducted followed by intake of vitamin drop, Deworming etc are followed. Children are checked with the dose of vaccination and given at the correct time.

On behalf of the management I thank whole heartedly the team of Marimalai Nagar medical centre and Rotary Hospital M.M nagar for their selfless service in spite of time factor etc.

Special Thanks to Dr .Shri Karthikeyan sir of Rotary Hospital for his involvement and care on our students.

**Pinnacle:**

In today world learning English is a vital skill that will help the students to achieve their full potential in their future. We SRCBSE facilitate the students with right methods to learn English quickly and enjoyable.

Mrs. Angelina of Pinnacle noted for her hard work and her passion of teaching of course not teaching communication. With English to the tiny tots is adorable and awesome. Her creativeness in presenting the cultural too is appreciable.

**Field Trip:**

Field trip & excursion are organized once in a year. It inculcated a spirit of team work & self reliance in the students This year students accompanied by teachers plan to visit Aavin Milk factory, Railway Coach factory in the month of October.

**One of the Milestone of Sivananda:**

V.Hariharan and S.Sharwin Kumar of XII Std got selected through aptitude test conducted by Peri Institute of Technology to witness the Rocket Launch at ISRO Sriharikota on 9<sup>th</sup> August 2024.

Who are you tomorrow begins with what you do today.

Passion is the spark that illuminate your path of success and create importance master piece along the way.

Achievement can be attained not by chance but through purpose and passion

**Future plans:**

Staying a step a head in the trending inner voice of mine. We have plan to implement a support for the **NEET** program by our hard working team of teachers thereby enhancing the potential of the students to higher standard of academic training.

I thank Whole heartedly the members of the management General Secretary Mrs. Lakshmi Rajaram, President Shri Kishore Kumar , Treasure Shri Bandhu chandok and beloved Parents for your support and encouragement in the upliftment of our Institution by all aspects.

I thank you one and all and looking forward the same encouragement in the coming days too. Let us conclude by we the team of Sivananda will continue our efforts to mould the young minds into well balanced personalities with confidence and zeal be fitting the standard of the portal of education.
